

REMARKS

I believe my application is in condition for allowance and respectfully request the Examiner examine the application in view of the herein amendments, and find all claims allowable. Thank you.

I hereby declare that I believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled ANALOG SENSOR(S) WITH SNAP-THROUGH TACTILE FEEDBACK; I further declare that no new matter has been entered; and I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
Thank you.

Respectfully,

Brad A. Armstrong, Inventor
